Exclusive Distributors of

**OPW**  
A DOVER COMPANY

**KPS**  
PETROL PIPE SYSTEM

With a focus of supporting and driving success in the petroleum and allied/related industries, Smartflow distributes and installs high quality pipes, synthetic (not metal) covers and tank containment systems.

Our pipes, composite covers and containment systems are manufactured by OPW, owners of KPS and FIBRELITE.

### Petrol Pipes

#### Uses:

- Product Transfer
- Remote fill
- Pressure and Suction Lines
- Ventilation
- Conduits
- Vapour Recovery

### LPG Pipes

Our LPG pipes can handle pressure up to 25 bars and was actually loaded under test conditions to 40 bars.

It guarantees a safe and reliable piping solution through its;

- permeation barrier
- conductive plastic liner

### Fittings

The available fittings include;

- Welding Sockets
- Bends & Tees
- Transition Fittings
- Entry Seals

These fittings maintain and retain the benefits from the pipe system, while ensuring connection/entry to various openings.

## Composite Covers & Containment

#### Useful in the following applications/industries;

- Retail Fuelling
- Factories and Plants
- Water and Drainage Systems
- General Construction

#### Benefits:

- Maintenance free
- Impervious to most chemicals
- Lightweight – no lifting injuries
- Will not corrode, crumble or crack
- Sealed manhole covers are water and odor tight
- Excellent insulator against heat
- Non-metallic design eliminates possibility of theft

**SMARTFLOW TECHNOLOGIES LTD** is Nigeria's leading Specialist and Supplier of:

- Fuel Pumping Solutions
- Automatic Tank Gauge Systems
- Tank & Meter Calibration Services
- Forecourt Controllers
- Consultations & Audits
- Business Data Intelligence
- Fuel/Fluid Management Systems
- Fleet Management Systems
- Maintenance and Support Services

### THE SMARTFLOW ADVANTAGE:

- Direct OEM relationships guaranteeing quality & warranty
- KPS Licensed Engineers
- Highly Trained & Capable Technical Team to install & support
- Affordable Spare parts always in STOCK!

### ALSO AVAILABLE:

- Pumps & Dispensers
- Red Jacket Submersibles
- Hoses • OPW Nozzles • Shear Valves
- Swivels • Breakaways
