No Spillage of Oil

Ease of Operation

Lube Handling System and Packages

Stay ahead of the competition with the latest product solution from Graco Lubrication - the LD Series Pump. The affordable and full featured LD is designed for lower volume applications and is available in 3:1 and 5:1 for oil and 50:1 for grease. These pumps are fine-tuned for a compact, flexible and still incredibly durable solution. All LD package meters come standard with trigger guard, hose boot and automatic nozzle.
